Global Economy: A report released by the Conference Board on Thursday showed that its index of leading US economic indicators rose in line with economist estimates in the month of April. The Conference Board said its leading economic index rose by 0.3% in April, matching the downwardly revised increase in March. After reporting an unexpected jump in U.S. new home sales in the previous month, the Commerce Department released a report on Tuesday showing a substantial pullback in new home sales in the month of April. The Commerce Department said new home sales plunged by 11.4% to an annual rate of 569,000.

Global Equities: US stocks witnessed a relatively lackluster performance during trading on Tuesday but managed to end the session modestly higher. The major averages closed higher for the fourth consecutive session.

Indian Economy: The Reserve Bank of India has outlined the steps taken and those on the anvil post the promulgation of the Banking Regulation (Amendment) Ordinance, 2017. The amendments to the BR Act 1949, introduced through the Ordinance, and the notification issued thereafter by the Central Government empower RBI to issue directions to any banking company or banking companies to initiate insolvency resolution process in respect of a default, under the provisions of the Insolvency and Bankruptcy Code, 2016 (IBC).

Equity Markets: Key benchmark indices suffered steep losses on reports that India has hit army posts across the Line of Control (LoC) that were providing cover for militants planning attacks. Key indices remained in the negative terrain for the most part of the session. The Sensex settled at its lowest level in more than one week. The Nifty settled at two-week low.

Corporate News: Tata Motors' consolidated net profit fell 16.79% to Rs 4336 crore on 2.86% fall in revenues to Rs 77272 crore in Q4 March 2017 over Q4 March 2016. The result was declared after market hours yesterday, 23 May 2017. Consolidated profit was lower due to translation impact from Pound to Indian Rupee. Adani Ports & Special Economic Zone and Lupin will announce Q4 results today, 24 May 2017. Karnataka Bank has entered into a distribution agreement to sell the mutual fund products of HDFC Capital Asset Management (HDFCAML). Mahabaleswara MS, Managing Director and Chief Executive Officer of Karnataka Bank said that investment in mutual funds will provide an opportunity to those customers who are uncomfortable in investing directly in stock markets.
